

Team Member Spotlight - Nichole, Caregiver

Would like to introduce Nichole our Employee of the Month. She is a very dedicated hard worker that is very connected to the residents. In her free time, she enjoys spending time with her cat's watching Dallas Cowboys win, going shopping and a good movie while relaxing!

Caught In Action

Residents had a full month of activities. We had a trip out to the pumpkin patch, flower arranging, creating structures with Picasso Tiles, guest speaker from the Oregon Historical Society giving us a presentation on the Oregon Trail, and looking forward to the Halloween festivities.

The Month In Moments: Smiles, Celebrations, & Connections Shared!

Monthly Message

What a beautiful fall we're enjoying! As the leaves change color and the air turns crisp, we look forward to all the wonderful things this season brings. We feel so fortunate to have such amazing residents,

dedicated staff, and supportive families who make our community such a special place to call home. Thank you to everyone who took the time to participate in this month's survey and share your thoughts and feedback. Your voices matter, and we appreciate your willingness to help us continue making our community the best it can be.

Sincerely, Tawnya.

A Fresh Look, More Connection!

You may notice a fresh look to our newsletter and calendar this month! We've introduced TSO Life, a new tool to support our Life Enrichment program and strengthen communication with residents and families. As our team learns the technology and gradually incorporates it into our planning, our focus remains on meaningful experiences, personal connections, and keeping you informed. We'll share more information and resources over the coming months. Thank you for your patience as we learn and make thoughtful updates along the way!
